**“** The course offerings provided at TREXPO allow me not only to stay current in my mandatory training hours, but also keep me well informed of emerging trends and issues. This enhances my safety (both on and off the job), contributes to my professional and personal growth, and adds value to my agency. **”**

~ Charlie Burnette  
Law Enforcement Investigator II,  
Florida Office of the  
Attorney General,  
Medicaid Fraud Control Unit,  
Tampa, Florida

**POLICE-TREXPO** is the original and leading first response training conference and expo for law enforcement, military, security, corrections, and federal agencies.

**POLICE-TREXPO East** features keynote addresses by powerful speakers from the law enforcement and military communities, classes taught by the best of the best in close-quarter combat and law enforcement tactics and techniques, and a world-class exposition of the latest law enforcement products and technologies.

Additionally, qualified professionals will benefit from our FREE hands-on weapons testing at Range Day!

### **KEYNOTE SPEAKER ANNOUNCED!**

**STEVEN EMERSON**, Executive Director, The Investigative Project on Terrorism

*"The Islamic Terrorist Threat: Violent and Stealth Jihad"*  
Thursday, August 19, 2010, 0800 – 1000 hrs

The Investigative Project on Terrorism is a non-profit organization that serves as one of the world's largest storehouses of archival data and intelligence on Islamic and Middle Eastern terrorist groups. Through his extensive expertise, Steven Emerson and his staff frequently provide briefings to U.S. government and law enforcement agencies, members of Congress and congressional committees on terrorist financing and operational networks of the worldwide Islamic militant spectrum.

Get the real inside story on Islamic terrorism from one of the nation's leading authorities on Islamic extremist networks, financing and operations.

### **FREE RANGE DAY**

Join your peers for a day at the range. Test the most advanced weaponry, have free lunch and talk with the suppliers of the weapons you will be testing.

**Where:** Silver Eagle Group

**When:** Friday, August 20, from 0900-1400 hrs
