FEBRUARY 5-7, 2013

Dear Int'l LCT Show Exhibitor,

On behalf of LCT Show Management, it has come to our attention that a mailing has been sent to exhibitors inviting them to update their company listing in on-line or print trade directories. We have been made aware of two such directory publishers - Construct Data Verlag AG of Slovakia (formerly of Austria), which produces FAIRGuide, and Commercial Online Manuals of Mexico, which produces Expo-Guide. **Please do not complete these forms** which will enter your company into a three-year agreement that will require you to pay significant fees for no foreseeable benefit.

LCT has no affiliation of any kind with these or any other branded directories, and we apologize for any inconvenience this has caused your company. If you receive any sort of solicitations from these organizations, please let us know immediately.

A sample solicitation form is included on the following pages.

We thank you all for your continued participation and look forward to the 2013 International LCT Show.

Sincerely,

Kristen Messineo
