Welcome Letter from Sara McLean

The International LCT Show is Proud to Offer Attendees What They Value Most

It's good to be back in Las Vegas with all of you — finally! We hope that what you learn and do in Vegas these next few days doesn't necessarily stay in Vegas. Instead, we want you to take it back with you and boost your success. The International Limousine & Chauffeured Transportation (LCT) Show, held with the National Limousine Association, has become the Number One meeting ground for the chauffeured industry worldwide. We are proud to announce a record turnout of delegates from Australia, Belgium, Brazil, Canada, China, Czech Republic, Denmark, France, Germany, Hungary, India, Ireland, Israel, Italy, Jamaica, Singapore, Sweden, Switzerland, United Kingdom, and the United States!

When we surveyed our show attendees last year to find out what they valued most about this event, the resounding response was NETWORKING! So, your wish is our command. We have provided you with a women's networking brunch, an international summit for a global meeting of the minds, a hosted reception INSIDE the exhibit hall that will be attended by nearly 4,000 show participants, and a night club party to follow — all on opening day!

We offer a first-time show goer's networking breakfast, networking coffee breaks, the NLA open annual meeting with more than 1,000 association members present, and a luncheon for full-show delegates. Then, we'll finish the day off with our elegant Operators of the Year Awards Banquet (complete with a pre-event networking reception) and our sponsored Hospitality Night. We promise you one thing this year — when you leave Las Vegas, your voice will be sore from talking so much!

The International LCT Show is intended to offer you the most up-to-date information on best business practices. At the International LCT Show you'll find out what's ahead for all of us in the chauffeured transportation industry — information that will help you chart your marketing and sales course in the coming months. Also, the exhibit floor will showcase virtually every product and service possible for your business. This one-stop-shop will inevitably save you money AND we assure you that you'll walk away a more educated buyer when you leave the show.

We congratulate the NLA for the great job it has done to organize helpful, "how-to" educational seminars geared toward the various types of operators in attendance — novice and veteran, small fleet and large.

Our fully trained show staff works year-round to ensure that your experience at the International LCT Show is a memorable and rewarding one. Should you have any questions, feel free to ask the show staff for help (go to the registration area to speak with them). We also encourage you to stop by the LCT Magazine booth and say hello to your magazine staff. Let them know what you think about your industry's leading publication!

Thank you for attending the 2008 event and enjoy YOUR show!
