Welcome

Welcome To The International Limousine & Chauffeured Transportation Show!

Well here we are in Las Vegas — finally! The LCT Show, held in conjunction with the National Limousine Association, has become the number one meeting ground for the chauffeured industry, worldwide. We are proud to announce a record turnout of delegates from [countries and states— get from Kristen]!

When we surveyed our show delegates last year to find out what they valued most about this event, the resounding response was NETWORKING! So, your wish is our command. We have provided you with a women's networking brunch, an international summit for a global meeting of the minds, a hosted reception INSIDE the exhibit hall that will be attended by nearly 4,000 show participants, and a night club party to follow — all on opening day! Then, on Monday, we offer a first-time show goer's networking breakfast, networking coffee breaks, the NLA open annual meeting with more than 1,000 association members present, a sit down luncheon for full-show delegates. Then, we'll finish the day off with our elegant awards banquet (complete with a pre-event networking reception) and our sponsored Hospitality Night. We promise you one thing this year — when you leave Las Vegas, your cheeks will be sore from talking so much!

The LCT Show is intended to offer you the most up-to-date information on best business practices. At the LCT Show you'll find out what projections are in store for all of us in the chauffeured transportation industry — information that will help you chart your marketing and sales course in the coming months. Also, the exhibit floor will showcase virtually every product and service imaginable for your business. This one-stop-shop will inevitably save you money AND we assure you that you'll walk away a more educated buyer when you leave the show!

We congratulate the National Limousine Association for the great job it has done to organize helpful, how-to educational seminars geared toward the various types of operators in attendance — novice and veteran, small fleet and large.

Our fully trained show staff works year round to ensure that your experience at the LCT Show is a memorable and rewarding one. Should you have any questions, feel free to ask the show staff for assistance (go to the registration area). We also encourage you to stop by the LCT Magazine booth and say hello to your magazine staff. Let them know what you think about your industry's magazine!

Thank you for attending the 2007 event and enjoy YOUR show!
